PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 12, 2014

GENERAL INFORMATION

This proxy statement is furnished to the shareholders of SCI Engineered Materials, Inc., an Ohio corporation (the “Company”), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at our executive offices located at 2839 Charter Street, Columbus, Ohio 43228 on June 12, 2014 at 9:30 a.m., and at any adjournment or postponement thereof (the “Annual Meeting”). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be sent or given to our shareholders on approximately April 30, 2014.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

Voting Procedures

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the election of Robert H. Peitz, Daniel Rooney, Laura F. Shunk, and Edward W. Ungar as directors of the Company, and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. You may vote by mail or in person at the meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 33.8% of the Company’s issued and outstanding shares. The officers, directors and nominees for directors of the Company have indicated that they will vote in favor of each nominee for director.

Voting by Mail

By signing and returning the proxy card in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card (known as “proxies”) to vote your shares at the Meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the Meeting. In this way, your shares will be voted if you are unable to attend the Meeting. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting in Person at the Meeting

If you plan to attend the Meeting and vote in person, we will provide you with a ballot at the Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. If you wish to vote such shares at the Meeting, you will need to bring with you to the Meeting a legal proxy from your broker or other nominee authorizing you to vote such shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Meeting. In order to do this, you must:

- Enter a new vote by signing and returning another proxy card bearing a later date;
- Provide written notice of the revocation to SCI Engineered Materials, Inc. Secretary; or
- Attend the Meeting and vote in person

Quorum Requirements

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

Broker Non-Votes

Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which typically include the election of directors. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares only on "routine" matters. Your broker will not have discretion to vote on any of the other matters, which are "non-routine" matters, absent direction from you. Accordingly, shares subject to a broker "non-vote" will not be considered entitled to vote with respect to the election of directors.

Votes Required

The election of the director nominees requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

Each other matter to be submitted to the shareholders for approval or ratification at the Annual Meeting requires the affirmative vote of the holders of a majority of our common stock present and entitled to vote on the matter. For purposes of determining the number of shares of our common stock voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

No Dissenters' Rights

The proposals described in this Proxy Statement will not afford shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

ELECTION OF DIRECTORS

Current director, Mr. Walter J. Doyle will not seek re-election as a director of the Company. As a well respected member of the central Ohio community Mr. Doyle has served as director of our Company since 2004. The Company was privileged to have Mr. Doyle as a member of the Board of Directors and would like to thank him for his service and guidance.

Dr. Robert J. Baker, Jr., a member of the Board of Directors since 1992, died suddenly on Sunday, March 30, 2014, at the age of 75. Dr. Baker served as Chairman of the Compensation Committee. Dr. Baker was the President of Venture Resources International, which he founded in 1974, and the co-founder of Business Owners Consulting Group, which assists companies in the development of growth strategies, including marketing position and competitive strategies. The Company was privileged to have Dr. Baker's guidance for the past 22 years. The Board intends to select a replacement for Dr. Baker as Chairman of the Compensation Committee from the Board members elected at the annual meeting. In addition, because of Dr. Baker's unexpected death the Board has decided to temporarily reduce the size of the Board of Directors from five to four until a thorough search can be conducted for a qualified candidate.

Only holders of record of our common stock at the close of business on April 23, 2014 will be entitled to vote at the Annual Meeting. At that time, we had 3,858,898 shares of common stock outstanding and entitled to vote. Each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

Our Restated Code of Regulations provides that the number of directors shall be fixed by the Board. The total number of authorized directors currently is fixed at five. As previously mentioned, because of Dr. Baker's unexpected death the Board has decided to temporarily reduce the size of the Board of Directors from five to four until a thorough search can be conducted for a qualified candidate.

The nominees for director, if elected, will serve for one year terms expiring at the next Annual Meeting of Shareholders. Robert H. Peitz, Daniel Rooney, and Edward W. Ungar currently serve as directors of the Company and are being nominated by the Board of Directors for reelection as directors. Laura F. Shunk has been nominated by the Board of Directors to take the position vacated by Walter J. Doyle.

It is intended that, unless otherwise directed, the shares represented by the enclosed proxy will be voted **FOR** the election of Messrs. Peitz, Rooney, and Ungar and Ms. Shunk as directors. In the event that any nominee for director should become unavailable, the number of directors of the Company may be decreased pursuant to the Restated Code of Regulations or the Board of Directors may designate a substitute nominee, in which event the shares represented by the enclosed proxy will be voted for such substitute nominee.

The Board of Directors recommends that the shareholders vote FOR the election of the nominees for director.

The following table sets forth each nominee's name, age, and his position with the Company:

Name	Age	Position
Daniel Rooney	60	Chairman of the Board of Directors, President and Chief Executive Officer
Robert H. Peitz	52	Director
Laura F. Shunk	57	Director
Edward W. Ungar	77	Director

Mr. Rooney was elected as the Chairman of the Board of Directors of our Company on January 8, 2003. Prior to joining us, Mr. Rooney was General Manager for Johnson Matthey, Color and Coatings Division, Structural Ceramics Sector North America from 1994 to 2001. Prior to that, Mr. Rooney held various management positions at TAM Ceramics, Inc., a Cookson Group Company. Mr. Rooney has a Bachelor of Science in Ceramic Engineering from Rutgers College of Engineering and an MBA from Niagara University. Mr. Rooney's expertise and background in general management, manufacturing, sales and ceramics provides experience that the Board considers valuable.

Robert H. Peitz has served as a Director of our Company since 2004. Mr. Peitz is a private investor and portfolio manager. Mr. Peitz is the former Managing Director and Head of Financial Markets for PB Capital in New York, New York. Previously, Mr. Peitz was a Managing Director at BHF Capital, Treasurer of BHF-Bank New York Branch and an Associate at Morgan Stanley in International Operations. Mr. Peitz graduated from the University of Cincinnati with a Bachelor of Arts in Economics and has an MBA from the Thunderbird School of Global Management. Mr. Peitz' experience in finance and investor relations provides experience that the Board considers valuable.

Laura F. Shunk graduated from Mount Holyoke College in 1980 with an A.B. degree in Chemistry and German, and from Case Western Reserve University in 1983 with a J.D. She began the practice of law at the Cleveland firm of Pearne, Gordon, Sessions, and Granger, where she worked on the prosecution of US patent applications originating in foreign jurisdictions and in the United States. As the daughter of entrepreneurs Ed and Inge Funk from Columbus, Ohio, she began to develop an interest in the interaction between entrepreneurial ventures and intellectual property. At this time she wrote several key patents for a young Cross Medical Company. These patents later became the subject of extensive litigation, and resulted in millions of dollars in settlements with Johnson & Johnson, and later with AlphaTech Spine, and which were a key asset in the purchase of Interpore/Cross for \$280 million by Biomet.

Presently, Ms. Shunk is a shareholder of Hudak, Shunk & Farine, Co. L.P.A. At this firm, she has expanded her areas of representation to include sophisticated material science research, and was awarded appointments to represent the University of Akron, Kent State University, Case Western Reserve University, and NASA, as well as Akron and north-east Ohio polymer manufacturers and molders. She has continued with her interest in guiding start-up ventures with respect to the development of intellectual property portfolios. Most recently, Ms. Shunk acted as counsel to an Akron area orthopedic implant company that was able to complete its acquisition in its seventh year at a 5.5x sales multiplier in part as a result of its extensive multi-national patent and trademark portfolio which Laura helped create. Laura is married to a trial attorney specializing in patent litigation, and they have two adult children. Ms. Shunk brings needed experience that the Board considers valuable.

Edward W. Ungar has been a Director of our Company since 1990. Mr. Ungar is the President and founder of Taratec Corporation, a technology business-consulting firm in Columbus, Ohio. Prior to forming Taratec Corporation in 1986, Mr. Ungar was an executive with Battelle Memorial Institute. In his position at Battelle, Mr. Ungar had profit and loss (P+L) responsibility for a major operation division. At Taratec, Mr. Ungar has had extensive experience in treasury and P+L functions as well as general management. Throughout his career, Mr. Ungar has been involved in technology commercialization related to the principal business areas of our Company. Mr. Ungar's experience in the commercialization and finance of new technologies provides experience that the Board considers valuable.

INFORMATION CONCERNING THE BOARD OF DIRECTORS, EXECUTIVE OFFICERS, AND PRINCIPAL SHAREHOLDERS

Board Leadership and Structure

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote our corporate purposes, are sound and represent best practices. We continually review these governance practices to make sure we comply with state and federal laws.

Our Board of Directors oversees all business, property and affairs of the Company. Our officers keep the members of the Board informed of our business through discussions at Board meetings and by providing them with reports and other materials throughout the year.

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of six meetings during the year ended December 31, 2013. Each director attended all meetings. Directors who are employed by the Company receive no compensation for serving as directors.

It is our policy that directors will attend all board meetings in addition to the meetings of the committees on which they serve. If a director cannot attend in person it is expected that he attend by teleconference when possible. If a director is unable to attend in person or by teleconference, prior notice is to be provided.

As compensation for their service, non-employee directors may periodically receive cash, grants of stock or grants of stock options, with an exercise price equal to the fair market value of our common stock on the date of grant for up to a ten-year term. Directors are also reimbursed for all reasonable out-of-pocket expenses. In the year ended December 31, 2013, Dr. Baker earned \$2,250 as chairman of the Stock Option and Compensation Committee (the "Compensation Committee"). Mr. Ungar earned \$4,500 as chairman of the Audit Committee. In addition, each non-employee director received \$5,000 and 6,000 shares of our common stock.

It is our expectation that all members and nominees of the Board of Directors will attend the 2014 Annual Meeting of Shareholders. Two members of our Board of Directors were present at our 2013 Annual Meeting of Shareholders.

Shareholder Communication

Our Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors or to any director in particular, c/o Gerald S. Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices will be forwarded to the addressee without review by management.

We make our proxy solicitation materials on Schedule 14A, annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act available free of charge on our website at www.sciengineeredmaterials.com as soon as reasonably practicable after we electronically file such material with the SEC.

Board Leadership Structure

From 1987 to March 2002 the positions of Chairman of the Board and Chief Executive Officer (CEO) were held by Dr. Edward R. Funk, the founder of our Company. For a brief period from March 2002 until January 2003 the positions of Chairman of the Board and CEO were held by separate people, due in part to the fact that the CEO was recently hired in March 2002. In January 2003, the Board reassessed this structure. Based in part on the CEO's performance since his hire date and the Board's increasing familiarity and comfort with the CEO and the potential efficiencies of having the CEO also serve in the role of Chairman of the Board, the Board decided to revise its structure. The Board appointed Mr. Rooney, our Chief Executive Officer, as the Chairman of the Board. We have no Lead Independent Director.

The Chairman of the Board provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. The Chairman of the Board sets the Board agendas with Board and management input, facilitates communication among directors, and presides at meetings of the Board of Directors and shareholders.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, the committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual management letter from the Company's external auditors. In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and longer incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy.

Committees of the Board of Directors

We have an Audit Committee and a Stock Option and Compensation Committee.

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls. The Chairman of the Audit Committee is Mr. Ungar, and the current member is Mr. Doyle. The Audit Committee met four times during 2013. The Board of Directors has not adopted a charter for the Audit Committee. The Board of Directors has determined that Mr. Ungar and Mr. Doyle qualify as "audit committee financial experts" as that term is defined in Item 407 of Regulation S-K. All members meet the criteria for audit committee independence as defined in NASDAQ Rule 4350, and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended.

The Compensation Committee of the Board of Directors reviews executive compensation and administers our stock incentive and incentive compensation performance plans. The position of the Chairman of the Compensation Committee is currently vacant and the current members are Messrs. Doyle and Ungar. The Board intends to select a replacement for Dr. Baker as Chairman of the Compensation Committee from the Board members elected at the annual meeting. The Compensation Committee met three times during 2013.

The Board of Directors has determined that it is not necessary to establish a nominating committee due to its limited size. Nominations for directors are considered by the entire Board of Directors. The directors take a critical role in guiding the strategic direction and oversee the management of the Company. Director candidates are considered based on various criteria, such as diversity in broad based business and professional skills and experiences, a global business and social perspective, concern for long term interests of shareholders, and personal integrity and judgment. In addition, directors must have available time to devote to Board activities and to enhance their knowledge of the industry. The Board seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company. Recent developments in corporate governance and financial reporting have resulted in increased demand for such highly qualified and productive public company directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

- such recommendations must be provided to the Board of Directors, c/o Gerald S. Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228, in writing at least 120 days prior to the date of the next scheduled annual meeting;
- the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and
- the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Compensation Committee Interlocks and Insider Participation

None of our executive officers have served:

- as a member of the Compensation Committee of another entity which has had an executive officer who has served on our Compensation Committee;
- as a director of another entity which has had an executive officer who has served on our Compensation Committee; or
- as a member of the Compensation Committee of another entity which has had an executive officer who has served as one of our directors.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1701.13(E) of the Ohio Revised Code gives a corporation incorporated under the laws of Ohio power to indemnify any person who is or has been a director, officer or employee of that corporation, or of another corporation at the request of that corporation, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, criminal or civil, to which he is or may be made a party because of being or having been such director, officer, employee or agent, provided that in connection therewith, such person is determined to have acted in good faith in what he reasonably believed to be in or not opposed to the best interest of the corporation of which he is a director, officer, employee or agent and without reasonable cause, in the case of a criminal matter, to believe that his conduct was unlawful. The determination as to the conditions precedent to the permitted indemnification of such person is made by the directors of the indemnifying corporation acting at a meeting at which, for the purpose, any director who is a party to or threatened with any such action, suit or proceeding may not be counted in determining the existence of a quorum and may not vote. If, because of the foregoing limitations, the directors are unable to act in this regard, such determination may be made by the majority vote for the corporation's voting shareholders (or without a meeting upon two-thirds written consent of such shareholders), by judicial proceeding or by written opinion of legal counsel not retained by the corporation or any person to be indemnified during the five years preceding the date of determination.

Section 1701.13(E) of the Ohio Revised Code further provides that the indemnification thereby permitted shall not be exclusive of, and shall be in addition to, any other rights that directors, officers, employees or agents have, including rights under insurance purchased by the corporation.

Article 5 of the Company's Restated Code of Regulations contains extensive provisions related to indemnification of officers, directors, employees and agents. The Company is required to indemnify its directors against expenses, including attorney fees, judgments, fines and amounts paid in settlement of civil, criminal, administrative, and investigative proceedings, if the director acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Company. When criminal proceedings are involved, indemnification is further conditioned upon the director having no reasonable cause to believe that his conduct was unlawful.

Entitlement of a director to indemnification shall be made by vote of the disinterested directors of the Company. If there are an insufficient number of such directors to constitute a quorum, the determination to indemnify directors shall be made by one of the following methods: (1) a written opinion of independent legal counsel, (2) vote by the shareholders, or (3) by the court in which the action, suit or proceeding was brought.

The Company may pay the expenses, including attorney fees of any director, as incurred, in advance of a final disposition of such action, suit or proceeding, upon receipt by the Company of an undertaking by the affected director(s) in which he/she/they agree(s) to cooperate with the Company concerning the action, suit or proceeding, and agree(s) to repay the Company in the event that a court determines that the director's action, or failure to act, involved an act, or omission, undertaken with reckless disregard for the best interests of the Company.

The indemnification provisions of the Articles of Incorporation relating to officers, employees and agents of the Company are similar to those relating to directors, but are not mandatory in nature. On a case-by-case basis, the Company may elect to indemnify them, and may elect to pay their expenses, including attorney fees, in advance of a final disposition of the action, suit or proceeding, upon the same conditions and subject to legal standards as relate to directors. These indemnification provisions are also applicable to actions brought against directors, officers, employees and agents in the right of the Company. However, no indemnification shall be made to any person adjudged to be liable for negligence or misconduct in the performance of his duty to the Company unless, and only to the extent that a court determines, that despite the adjudication of liability, but in view of all of the circumstances of the case, shall deem proper. The Company currently carries directors and officers insurance in the amount of one million dollars.

The above discussion of the Company's Restated Code of Regulations and of Section 1701.13(E) of the Ohio Revised Code is not intended to be exhaustive and is respectively qualified in its entirety by such documents and statutes.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the Company issued pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

REPORT OF AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected Crowe Horwath LLP as our independent accountants for purposes of auditing our financial statements for 2013. The Audit Committee has reviewed and discussed with management and the independent auditors our audited financial statements; discussed with the independent auditors the matters required to be discussed by Codification of Statements on Auditing Standards No. 61; received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1; and discussed with the independent auditors their independence from our Company.

Based on the reviews and discussions with management and Crowe Horwath LLP, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Mr. Ungar, Mr. Doyle, and Dr. Baker are independent under Rule 4350(d) of the Nasdaq Stock Market, and each is financially literate each in his own capacity.

Based upon its work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2013, were met and that our financial reporting and audit processes are functioning effectively.

Submitted by the Audit Committee
of the Board of Directors:
Robert J. Baker, Jr.
Walter J. Doyle

Stock Options

At our 2011 Annual Meeting, our shareholders approved our 2011 Stock Incentive Plan (the “2011 Plan”). At our 2006 Annual Meeting, our shareholders approved our 2006 Stock Incentive Plan (the “2006 Plan”). The purpose of each Plan was to further the growth and profitability of the Company by providing increased incentives to and encourage share ownership on the part of key employees, officers and directors, and consultants and advisors who render services to the Company and any future parent or subsidiary of the Company. Each Plan permits the granting of stock options and restricted stock awards (collectively “Awards”) to eligible participants. The maximum number of shares of common stock which may be issued pursuant to the 2011 Plan is 250,000 shares. The maximum number of shares of common stock which may be issued pursuant to the 2006 Plan is 600,000 shares. If an Award expires or is cancelled without having been fully exercised or vested, the unvested or cancelled shares will be available again for grants of Awards. Each Plan is administered by the Company’s Stock Option and Compensation Committee (the “Committee”). All the members of the Committee qualify as “non-employee directors” under Rule 16b-3 of the Securities Exchange Act of 1934 and as “outside directors” under Section 162(m) of the Internal Revenue Code (the “Code”). Pursuant to each Plan, the Committee has the sole discretion to determine the employees, directors and consultants who may be granted Awards, the terms and conditions of such Awards and to construe and interpret the Plans. The Committee is also responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transaction such as a stock split or stock dividend. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to any Section 16b-3 Persons, or (b) in any way which would jeopardize the Plan’s qualifications under Section 162(n) of the Code or Rule 16b-3. The Board of Directors may amend or terminate either Plan at any time and for any reason. To the extent required under Rule 16b-3 material amendments to the Plans must be approved by the shareholders.

Eligibility to participate in the either Plan extends to management, key employees, directors and consultants of the Company. The estimated number of eligible participants is approximately 25 persons. The actual number of individuals who may receive options of restrictive stock awards under the Plans cannot be determined because eligibility for participation is at the discretion of the Committee.

SHAREHOLDER PROPOSALS FOR 2015 ANNUAL MEETING

Each year our Board of Directors submits its nominations for election of directors at the annual meeting of shareholders. Other proposals may be submitted by the Board of Directors or the shareholders for inclusion in the proxy statement for action at the annual meeting. Any proposal submitted by a shareholder for inclusion in the proxy statement for the annual meeting of shareholders to be held in 2015 must be received by us (addressed to the attention of the Secretary) on or before December 31, 2014. Any shareholder proposal submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934 for presentation at our 2015 annual meeting will be considered untimely for purposes of Rule 14a-4 and 14a-5 if notice thereof is received by us after March 15, 2015. Any such proposal to be submitted at the meeting must be a proper subject for shareholder action under the laws of the State of Ohio.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

We are delivering this Proxy Statement and an annual report to all shareholders of record as of the record date. Shareholders residing in the same household who hold their shares in the name of a bank, broker or other holder of record may receive only one Proxy Statement and annual report if previously notified by their bank, broker or other holder. This process, by which only one proxy statement and annual report, as the case may be, is delivered to multiple security holders sharing an address, unless contrary instructions are received from one or more of the security holders, is called “householding.” Householding may provide convenience for shareholders and cost savings for companies. Once begun, householding may continue unless instructions to the contrary are received from one or more of the shareholders within the household.

Street name shareholders in a single household who received only one copy of the Proxy Statement or annual report may request to receive separate copies in the future by following the instructions provided on the voting instruction form sent to them by their bank, broker or other holder of record. Similarly, street name shareholders who are receiving multiple copies may request that only a single set of materials be sent to them in the future by checking the appropriate box on the voting instruction form.

If you are a registered shareholder receiving multiple copies of this Proxy Statement, you also may request orally or in writing to receive a single copy of this Proxy Statement by calling 1-614-486-0261, or writing to SCI Engineered Materials at 2839 Charter Street, Columbus, Ohio 43228.
